Program Overview

Redeeming Productivity Academy

Redeeming Productivity Academy (RPA) is a self-development program taught from a biblical perspective.

RPA teaches basic and advanced time management skills. Courses and workshops cover subjects like task management, effective goal setting, habit development, and more.

Students make their way through five stages which take them from drowning in overwhelm to knowing how to set goals and effectively sail toward them with confidence.

STAGE 1:	STAGE 2:	STAGE 3:	STAGE 4:	STAGE 5:
Drowning	Bailing	Navigating	Rowing	Sailing

PROGRAM FEATURES:
- Self-paced productivity curriculum
- Workbooks with application exercises for each unit
- Monthly live expert workshops
- Access to weekly office hours
- Community for accountability
- Annual and quarterly planning workshops

INTENDED AUDIENCE: Christians in the workforce or serving in ministry who want to grow in personal effectiveness without compromising their values.

TIME COMMITMENT: Students should expect to dedicate about an hour a week to watching course material, completing workbook assignments, and participating in discussions and calls.

PRICE: **$290/year**
